	Children & Adults with Attention Deficit/Hyperactivity Disorder	http://www.chadd.org/	Parent/Teacher	K-12	Children and Adults with Attention-Deficit/Hyperactivity Disorder (CHADD), is a national non-profit, tax-exempt (Section 501 (c) (3)) organization providing education, advocacy and support for individuals with AD/HD. In addition to our informative Web site, CHADD also publishes a variety of printed materials to keep members and professionals current on research advances, medications and treatments affecting individuals with AD/HD. These materials include Attention! magazine, the CHADD Information and Resource Guide to AD/HD, News From CHADD, a free electronically mailed current events newsletter, as well as other publications of specific interest to educators, professionals and parents.
	Council for Exceptional Children	http://www.cec.sped.org/	Parent/Teacher	K-12	The Council for Exceptional Children (CEC) is the largest international professional organization dedicated to improving the educational success of individuals with disabilities and/or gifts and talents. CEC advocates for appropriate governmental policies, sets professional standards, provides professional development, advocates for individuals with exceptionalities, and helps professionals obtain conditions and resources necessary for effective professional practice.
	Autism Research Institute	http://www.autism.com/ari/	Parent/Teacher	K-12	The Autism Research Institute (ARI) is the hub of a worldwide network of parents and professionals concerned with autism. ARI was founded in 1967 to conduct and foster scientific research designed to improve the methods of diagnosing, treating, and preventing autism. ARI also disseminates research findings to parents and others worldwide seeking help. The ARI data bank, the world's largest, contains over 40,000 detailed case histories of autistic children from over 60 countries.
	National Dissemination Center for Children with Disabilities	http://www.nichcy.org/	Parent/Teacher	K-12	This website is a central source of information on: Disabilities in infants, toddlers, children, and youth, IDEA, which is the law authorizing special education, No Child Left Behind (as it relates to children with disabilities), and research-based information on effective educational practices.
	U.S Department of Education - OSEP	http://www.ed.gov/about/offices/list/osers/osep/index.html	Parent/Teacher	K-12	The Office of Special Education Programs (OSEP) is dedicated to improving results for infants, toddlers, children and youth with disabilities ages birth through 21 by providing leadership and financial support to assist states and local districts. The Individuals with Disabilities Education Act (IDEA) authorizes formula grants to states, and discretionary grants to institutions of higher education and other non-profit organizations to support research, demonstrations, technical assistance and dissemination, technology and personnel development and parent-training and information centers.
 	Special Education Resources from the Curry School of Education at the University of Virginia	http://special.edschool.virginia.edu/	Parent/Teacher	K-12	This site is well designed and organized and offers a large amount of resources and links for those involved in Special Education.
	Gifted Child Society	http://www.gifted.org/	Parent/Teacher	K-12	The Gifted Child Society is a non-profit organization that was founded in 1957 to further the cause of gifted children. Its goals are educational enrichment and support services specifically designed for gifted children, assistance to parents in raising gifted children to full and productive adulthood, professional training to encourage educators to meet the special needs of these youngsters, and a greater effort to win public recognition and acceptance of these special needs.
